

**Job Title:** Technical Writer / Graphic Designer

**Job Description:** Senseseeker Engineering is looking for a Technical Writer / Graphic Designer. The Technical Writer will create and organize internal and external technical information such as product data sheets, user manuals, quick-start guides, and other instructional content that helps end-users understand, use, and troubleshoot products. The Technical Writer will work with technical staff to write and edit engaging posts for our company website and engineering products. The Technical Writer will ensure documentation is clear, concise, accurate, and complete, meets specifications and adheres to standards for quality and style. The candidate should be comfortable working on a broad range of topics in a relaxed small business environment.

**Work Experience:**  $\geq 2$  years

**Required Education:** Associate's degree or related experience in Technical Writing, Technical Communication, English, Education, Marketing or related field is required.

**Preferred Education & Work Experience:** Bachelor's degree with 3+ years experience in Technical Writing, Technical Communications, English, Education or Engineering; English, Marketing or Communications degree highly preferred.

**Required Attributes:**

- US person status *required* for this position, pursuant to the terms of government contracts with Senseseeker\*
- Experience converting technical information from scientists and engineers into high quality documents
- Must have strong communication skills and the ability to comprehend high-level technology concepts
- Ability to watch a process and then translate to a written procedure. Must be familiar with manufacturing environment
- Proficient with Microsoft Word and PowerPoint. Fundamental Excel skills
- Expertise in one or more graphic design tools (Adobe Photoshop, Adobe Illustrator or CorelDraw Graphics)

**Desired Attributes:**

- Prior experience with composing image sensor data sheets, user manuals, and quick-start guides
- Working knowledge of LaTeX editor

**Job Type and Location:** Contractor in Goleta, CA, USA
