PRODUCTS & SERVICES TERMS AND CONDITIONS

Revised March 31, 2024

In order to expedite acceptance of a Purchase Order the customer is asked to ensure the PO (i) references the Senseseeker quotation; (ii) identifies the specific products, quantities, and pricing in a manner consistent with the quotation; (iii) specifies the delivery location; (iv) specifies the PO as being subject to the "Senseseeker Corp Products & Services Terms and Conditions", and (v) does not subject the order to any additional terms (e.g., Customer's standard terms). Any variation from these requirements will require legal review which may result in delay or rejection of your PO.

1. INTRODUCTION

- 1.1. This agreement (the "Agreement") consists of these *Senseseeker Corp Products & Services Terms and Conditions* (the "Terms"), the Senseseeker quotation including any referenced product specifications (the "Quote"), and the Customer's Purchase Order (the "PO"). The "Products" are those products described in the Quote, if any, and identified for purchase in the PO. The "Services" are those services described in the Quote, if any, and identified for purchase in the PO. Any products or services (including their respective specifications) quoted in the Quote but not selected for purchase in the PO are not part of the Agreement. The Terms, Quote, and PO form the entirety of the Agreement between the parties with respect to the subject matter hereof and no course of dealing, usage of the trade, discussions, or other writings shall apply unless expressly included herein.
- 1.2. "Customer" is the party placing the PO or, if the Agreement does not include a PO, the customer identified on the Quote. A PO issued by Customer to Senseseeker properly referencing these Terms shall constitute Customer's acceptance of this Agreement regardless of whether the PO is signed by a representative of Customer.
- 1.3. Unless otherwise specified in the Quote, Senseseeker's quotations expire 60 days after issuance.
- 1.4. Senseseeker only accepts POs by an express written acceptance. No other action by Senseseeker shall form the basis of acceptance of a PO.
- 1.5. Unless expressly stated on the face of the PO with specific reference to this clause (i.e., "Clause 1.5 of the Senseseeker Corp Products & Services Terms and Conditions") or within the Senseseeker Quote, in the event of a conflict between the documents of the Agreement the following order of precedence (from highest to lowest) shall apply: (1) the Terms, (2) the Software License Agreement (if applicable), (3) the Quote, and (4) the PO.
- 1.6. This Agreement may only be amended by a written document duly executed by both parties.
- 1.7. If Customer is (1) not integrating or otherwise adding value to the Products and Services and (2) is procuring the Products and Services on behalf of a third party end user ("End User"), Customer (i) shall promptly identify such End User to Senseseeker and (ii) hereby consents to direct, non-confidential communication between Senseseeker and End User, which may include all details of the Agreement, in connection with this Agreement.

2. PRICING & QUANTITIES

- 2.1. The price of Products and Services shall be as provided for in the Quote.
- 2.2. The quantities of the Products and Services shall be as provided on the PO.
- 2.3. In the event the total price indicated in the PO is inconsistent with the above prices and quantities, Senseeker at its option may deliver either the quantities indicated in the PO or a quantity that most closely meets but does not exceed the dollar amount indicated in the PO. In either case Customer shall be responsible for price of the Products and Services delivered.

3. SOFTWARE LICENSE & WARRANTY

- 3.1. If the Products include Senseeker Software ("Software"), clause 3.2 shall apply.
- 3.2. Senseeker software is licensed and warranted by Senseeker in accordance with the license terms provided in Senseeker's Software License Agreement which is incorporated herein by reference.

4. TAXES

- 4.1. Customer is responsible for all taxes and charges applied by any Government to the Products, Services, or their sale, delivery, shipment or use (collectively, "Taxes"). Such Taxes will be added to the invoiced price and will be paid by Customer, except to the extent that Customer provides a tax exemption certificate acceptable to Senseeker. Customer shall indemnify and defend Senseeker for all claims and costs that result from an invalid or inadequate tax exemption certificate.

5. INVOICING & PAYMENT

- 5.1. Unless a different invoice/payment schedule is set forth in the Quote (in which case Senseeker shall invoice in accordance with such schedule) Senseeker shall invoice Customer upon delivery of the Products and completion of the Services. If delivery/completion is in installments (e.g., line items), Senseeker may invoice for the Products/Services delivered with each installment.
- 5.2. Customer shall pay all invoices in full NET 30. Payment shall be in United States Dollars. Interest will accrue on all past due amounts from the date of invoice at the lesser of 1.5% per month or the maximum rate allowable by applicable law. Senseeker shall have no obligation to provide the applicable Limited Warranty during any period which an invoice to Customer under this Agreement or another order is past due.

6. SHIPPING, DELIVERY, PLACE OF PERFORMANCE

- 6.1. Unless expressly stated in the Quote, delivery of Products is EXW Senseeker's Plant (INCOTERMS 2019) which is located at the Senseeker address indicated on the Quote. Senseeker may invoice Customer for any costs incurred as a result of delayed pickup of the Products.
- 6.2. Unless otherwise provided for in this Agreement, all Services will be performed at Senseeker's facilities or as otherwise determined by Senseeker.
- 6.3. Unless expressly stated in the Quote, the scheduled delivery and completion dates, if any, are estimates and are subject to change.

7. PRODUCTS: INSPECTION, ACCEPTANCE, REPLACEMENT

- 7.1. Customer must report any damage, shortage or errors in delivered Products to Senseeker within 3 business days of receipt by Customer.
- 7.2. Customer may accept the Products by express acceptance, using the Product, or failing to reject the Product within 7 days of receipt by Customer.
- 7.3. Prior to acceptance, Customer may inspect the Products to confirm the Products conform to the product specifications. Customer may reject Products that exceeds the ordered quantities or do not conform to the product specification by notifying Senseeker and returning the rejected Products in accordance with the return procedures set forth in Article 8 within 2 business days of notice to Senseeker.
- 7.4. Senseeker shall provide a replacement or credit for Products returned under Clause 7.3 and determined by Senseeker not to meet the product specifications; Products returned but determined by Senseeker not to be in original condition, to have been used for any purpose other than acceptance testing, to have been subject to conditions outside the product specifications, or subject to mishandling, shall be deemed accepted by Customer and returned to Customer at Customer's expense. For avoidance of doubt, "mishandling" or "mishandled" as used throughout these Terms includes but is not limited to exposing the Products to electrostatic discharge (ESD) and failing to follow any handling instructions indicated on in the product specification or the product packaging.

8. PRODUCT RETURNS

- 8.1. To return Products under Clauses 7.3, 10.3, or 11.2 Customer shall contact Senseeker and request a return merchandise authorization (RMA). Senseeker will provide Customer instructions for return of the Product and Customer shall follow such RMA procedures.
- 8.2. After obtaining an RMA for a warranted Product, Customer shall return the product to Senseeker's facility within 14 days. Failure to follow Senseeker's RMA procedures will void the warranty.
- 8.3. In the case the return of Software, Customer shall represent in a writing acceptable to Senseeker that it has permanently delete/destroyed all copies of the Software.
- 8.4. For the purpose of this Article 8 Customer is responsible for costs associated with shipment to and from Senseeker, including risk of loss.

9. IMPROPER & UNAUTHORIZED USE OF PRODUCT

- 9.1. Customer shall not use the Products in a way that is inconsistent with the product specifications or in or with equipment that may cause operation of the Product that is inconsistent with the product specifications.
- 9.2. Customer shall discontinue use of Products that have been operated outside of the product specifications.
- 9.3. Unless expressly stated to the contrary in Senseeker's quotation of product specifications, Customer shall not use the Products for or in connection with the design, development, manufacture, construction, inspection, testing, storage, operation or maintenance of any nuclear reactor, facility for fabrication or conversion of nuclear fuel, nuclear explosive devices, maritime nuclear propulsion plants, rockets, ballistic missile systems or unmanned air vehicles, chemical

or biological weapons, or applications where failure or improper operation may result in death or personal injury.

- 9.4. Unauthorized use, improper use, or mishandling shall void Senseeker's obligations and any applicable warranty of the Product.

10. SERVICE: STANDARD OF CARE, ACCEPTANCE, LIMITED WARRANTY & REMEDY

- 10.1. Senseeker will perform the Services in a competent, workmanlike manner, using Senseeker's best practices for work of this kind and will substantially meet the requirements of the Services set forth in this Agreement ("Standard of Care").
- 10.2. Senseeker warrants that for a period of 6 months from the date of completion the Services will meet the Standard of Care. To make a warranty claim under this Clause 10.2, Customer shall promptly, and in all cases within the warranty period, notify Senseeker in writing of the Services that fail to meet the Standard of Care. Upon Customer's prompt notification to Senseeker, Senseeker shall, in its sole judgment, reperform the noncompliant portion of the Services or, if impossible to reperform, or if not commercially reasonable to reperform, or if Senseeker fails to satisfactorily perform after repeated attempts, refund Customer for the noncompliant portion of the Services. If feasible, as a condition for providing a refund, Customer shall discontinue use of and return or destroy the noncompliant portion of the Services being refunded and, if requested by Senseeker, provide written assurance of so doing acceptable to Senseeker.
- 10.3. For Services provided to repair or upgrade Equipment provided by Customer (e.g., a Senseeker product owned by Customer), Senseeker's exclusive warranty is that the repair or upgrade will be free from defects in workmanship and materials and materially conform to the specifications for 1 year from completion of the Services. For avoidance of doubt, no warranty is made with respect to the Equipment generally, but only with regard to the repair or upgrade. To make a warranty claim under this Clause 10.3, Customer shall promptly, and in all cases within the warranty period, notify Senseeker of the defect and request an RMA in accordance with Article 8. Once the Equipment is received at Senseeker's facility in accordance with the RMA procedures Senseeker shall determine if a valid warranty claim exists. Equipment that has been mishandled, used improperly, or in an unauthorized way are not warranted. If a valid warranty claim exists, Senseeker's exclusive obligation is to, at its option, repair or replace warranted repair or upgrade to the Equipment, or if Senseeker determines it is not commercially reasonable to do so, to refund Customer the price of the repair or upgrade. All refunds are contingent upon Senseeker's receipt of the refunded portion of the Equipment and Customer's representation in writing that it has permanently delete/destroyed all copies of any Software being refunded, as applicable. The warranty provided for Equipment under this Clause 10.3 is in lieu of the general warranty for Services provided under Clause 10.2.
- 10.4. Senseeker may reduce the paid-out portion of any refund under Clause 10.2 or Clause 10.3 by any amounts owed to Senseeker by Customer under this or another agreement.
- 10.5. All Equipment and Services that are replaced or refunded shall be the sole property of Senseeker. Any other Equipment provided by Customer will be made available for return to Customer.
- 10.6. Customer may accept the Services by express acceptance, using the Services (including use of repaired or upgraded Equipment), or failing to reject the Services within 7 days of receipt by Customer.

11. HARDWARE LIMITED WARRANTY & REMEDY

- 11.1. Senseeker warrants to Customer the hardware portion of the Products will be free from defects in workmanship and materials and materially conform to the product specifications for 1 year from the original delivery or, for replacement products, 90 days from delivery of the replacement product or the remainder of the original delivery warranty period, whichever is longer.
- 11.2. To make a warranty claim under this Article 11, Customer shall promptly, and in all cases within the warranty period, notify Senseeker of the defect and request an RMA in accordance with Article 8.
- 11.3. Once the hardware portion of the Product is received at Senseeker's facility in accordance with the RMA procedures Senseeker shall determine if the Product is covered under warranty. Products that have been mishandled, used improperly, or in an unauthorized way are not warranted. If the Product is covered by warranty, Senseeker's exclusive obligation is to, at its option, repair or replace the Product, or if Senseeker determines it is not commercially reasonable to do so, to refund Customer the purchase price of the returned Product. Senseeker may reduce the paid-out portion of any refund by any amounts owed to Senseeker by Customer under this or another agreement. All refunds are contingent upon Senseeker's receipt of the refunded Product and, if requested by Senseeker, Customer's representation in writing that it has permanently delete/destroyed all copies of the Software, as applicable. All products that are replaced or refunded shall be the sole property of Senseeker.

13. CUSTOMER MATERIALS

- 13.1. Unless otherwise provided for in this Agreement, Customer shall be responsible for shipment, import/export costs of any kind, insurance, taxes and risk of loss associated with making available samples, materials, Equipment, and the like ("Customer Materials") to Senseeker to perform the Services. Customer Materials do not include the Products that are the subject of this Agreement. Customer shall report any damage, shortage or errors in returned Customer Materials to Senseeker within 3 business days of receipt by Customer.
- 13.2. Senseeker, with reasonable prior notice, shall make Customer Materials available for pickup during normal business hours at Senseeker's then current address. Should Customer fail to collect Customer Materials within 3 months of completion of the Services or fail to enter another agreement with Senseeker requiring such Customer Materials within the same period of time, Customer releases Senseeker of any and all obligations it may have with regard to Customer Materials and Customer agrees such Customer Materials shall be deemed abandoned. Prior to the foregoing release taking effect Senseeker shall provide 1 month's written notice to Customer identifying the affected Customer Materials.
- 13.3. If Customer abandons Customer Materials in Senseeker's possession, Senseeker may, in its sole discretion, take ownership and title to Customer Materials or invoice Customer the cost of disposing or returning Customer Materials. Article 5 shall apply to such invoices.
- 13.4. CUSTOMER REPRESENTS AND WARRANTS THAT IT HAS FULLY INSURED AGAINST THE RISK OF LOSS OR DAMAGE TO CUSTOMER MATERIALS. CUSTOMER HEREBY RELEASES SENSEEKER FROM ANY LIABILITY IN CONNECTION WITH THE CUSTOMER MATERIALS EXCEPT IN THE CASE OF SENSEEKER'S WILLFUL MISCONDUCT. CUSTOMER SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS SENSEEKER, ITS OFFICERS, EMPLOYEES, AND AGENTS AGAINST ANY CLAIM RELATED TO THE LOSS OR DAMAGE OF CUSTOMER MATERIALS.

14. CHANGES

- 14.1. Changes to this Agreement, including changes to the type and quantity of Products or Services that are the subject of the order may be made by written amendment signed by both parties. Senseeker has no obligation to accept Customer's proposed changes to the Agreement.

15. SUSPENSION & TERMINATION

- 15.1. Senseeker may suspend or terminate this Agreement or a portion thereof if (i) Customer is in breach of this Agreement, another agreement with Customer, or an agreement where payment is contingent on receipt of funds from Customer; (ii) Customer becomes insolvent, files or has filed against it a petition in bankruptcy (or any similar petition under any insolvency law of any jurisdiction), or proposes any dissolution or liquidation; (iii) a receiver, trustee, custodian or similar agent is appointed or takes possession of any property or business of Customer; (iv) Customer receives a "going concern" qualification from its auditors; or (v) Senseeker determines in its reasonable discretion that there has been a material adverse change in Customer's financial condition as previously represented to Customer by Senseeker.
- 15.2. Senseeker shall notify Customer in writing of any suspension or termination of this Agreement.

16. LIMITATION OF LIABILITY

- 16.1. Senseker assumes no liability to Customer or any third party in connection with any delay in delivery or replacement of Products or completion of Services, regardless of the cause of the delay.
- 16.2. Any costs incurred by Customer in connection with the inspection, testing, troubleshooting, maintenance, and use of the Products and Services is solely at Customer's expense. Senseker assumes no liability for such costs even if it results in the conclusion that the Product is defective or that the Services did not meet the standard of care.
- 16.3. TO THE FULL EXTENT ALLOWED BY LAW, IN NO EVENT SHALL SENSEKER OR ITS SUPPLIERS OR LICENSORS HAVE ANY LIABILITY, WHETHER BASED IN WARRANTY, CONTRACT, TORT, STRICT LIABILITY, OR ANY OTHER CAUSE OF ACTION FOR INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES OF ANY KIND, OR FOR LOSS OF REVENUE OR PROFITS, LOSS OF BUSINESS, LOSS OF OR UNAUTHORIZED ACCESS TO INFORMATION OR DATA, OR OTHER FINANCIAL LOSS ARISING OUT OF OR IN CONNECTION WITH THE SALE, INSTALLATION, MAINTENANCE, USE, PERFORMANCE, FAILURE, OR INTERRUPTION OF ITS PRODUCTS, WHETHER FORESEEABLE OR NOT, AND EVEN IF SENSEKER OR ITS AUTHORIZED RESELLER, DISTRIBUTOR OR DEALER HAD BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL SENSEKER BE LIABLE TO CUSTOMER (OR ANYONE WITH A VALID CLAIM THROUGH CUSTOMER, ALL LIABILITY FOR WHICH SENSEKER EXPRESSLY DISCLAIMS) FOR DAMAGES IN EXCESS OF THE NET SALES PRICE OF THE DEFECTIVE PRODUCT(S) AND SERVICES EVEN IF SENSEKER SHALL HAVE BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGE. THE ABOVE LIMITATIONS OF LIABILITY WILL NOT BE AFFECTED IF ANY REMEDY PROVIDED HEREIN SHALL FAIL OF ITS ESSENTIAL PURPOSE. Some states or jurisdictions do not allow the exclusion or limitation of liability for personal injury or death. Consequently, the above limitations and exclusions may be thereby affected in those circumstances.
- 16.4. The parties agree that the allocation of risk contained in this Agreement is reasonable and is reflected in the price of the Products and Services.

Customer shall deliver such derivative work to Senseseeker in a format acceptable to Senseseeker.
- 18.5. Senseseeker agrees to grant Customer a credit for the returned Products which is equal the depreciated value of the returned Products based on a useful lifetime of 3 years from the date of delivery.
- 18.7. Senseseeker shall have no obligation to provide the indemnification under Clause 18.5 to the extent the claim of infringement arises out of (i) the combination or integration of the Product with a product, process, system, or element that Senseseeker has not supplied or specified; (ii) alteration of the Product by anyone other than Senseseeker; (iii) compliance with specifications of the Customer; or (iv) use of the original Product after Senseseeker has made available a modified version to avoid infringement.
